Alana-

Are there any Portland Harbor Photos you could send me for the DEQ home page announcement of these meetings?

### US EPA Holds Public Information Sessions for Portland Harbor Draft Feasibility Study

The United States Environmental Protection Agency (EPA) is reviewing the draft Feasibility Study for the Portland Harbor Superfund Site. You can review it too at the Multnomah County Central Library, 801 SW 10th Ave., or on the EPA website at [www.epa.gov/region10/portlandharbor](http://www.epa.gov/region10/portlandharbor).

Under the direction of EPA, a group of potentially responsible parties known as the Lower Willamette Group (LWG) prepared the feasibility study. The study compares options to clean up Portland Harbor. These options will help manage contaminated soil and river sediment.

EPA will hold four public information sessions to provide an overview of the draft feasibility study. These sessions will include:

- Information about cleanup alternatives
- Site background information
- Discussion of effect on the community
- Next steps for making clean up decisions
- Opportunities for public involvement

**In addition, open houses are scheduled before each session.** During these open houses, you can speak with representatives from EPA, Oregon Department of Environmental Quality, LWG, Tribal governments, Natural Resource Trustees and the Portland Harbor Community Advisory Group.

1 <sup>st</sup> Meeting—Wednesday April 11 Open House: 5:30-6 pm Information Session: 6 -8 pm	St John's Community Center 8427 N Central St. Portland
2 <sup>nd</sup> Meeting—Thursday April 12 Open House: 12:30-1 pm Information Session: 1 -3 pm	Portland Building Auditorium, 2 <sup>nd</sup> Floor 1120 SW 5th Ave. Portland
